Date: 03-08-2018

Subject: Report on ideal village visit (Raj-Samadhiyala) on 03-08-2018 with the students who enrolled in Vishwakarma Yojana Phase VI.

A visit was arranged by Prof. Akshay B. Ardeshana to the Raj-Samadhiyala village on 03-08-2018. Aim after this is to make students aware about ideal village concept and through which they can learn about various systems by which they can develop idea about making any other village smart as well as developed.

During visit we discussed with various authorities of village as well as with the people of village. We have also visited various places like gram-panchayat, bus stands, temples, community halls and other amenities. Existing condition of various amenities as well as various infrastructure was examined by students like.. road condition, street light, speaker system and drainage system.
